6 hunger hotspots

Source: www.wfp.org

WFP is currently facing six emergencies at the same time, getting food to save victims of war, civil conflict and natural disaster.

SYRIA

IRAQ

YEMEN

SOUTH SUDAN

NEPAL

GUINEA

LIBERIA

SIERRA LEONE

Ebola affected regions

WFP's **Syria Operation** is one of the largest and most complex

We have to raise
80 million
 each week to meet the basic food needs

WFP is 100% funded by voluntary contributions

Forced to flee

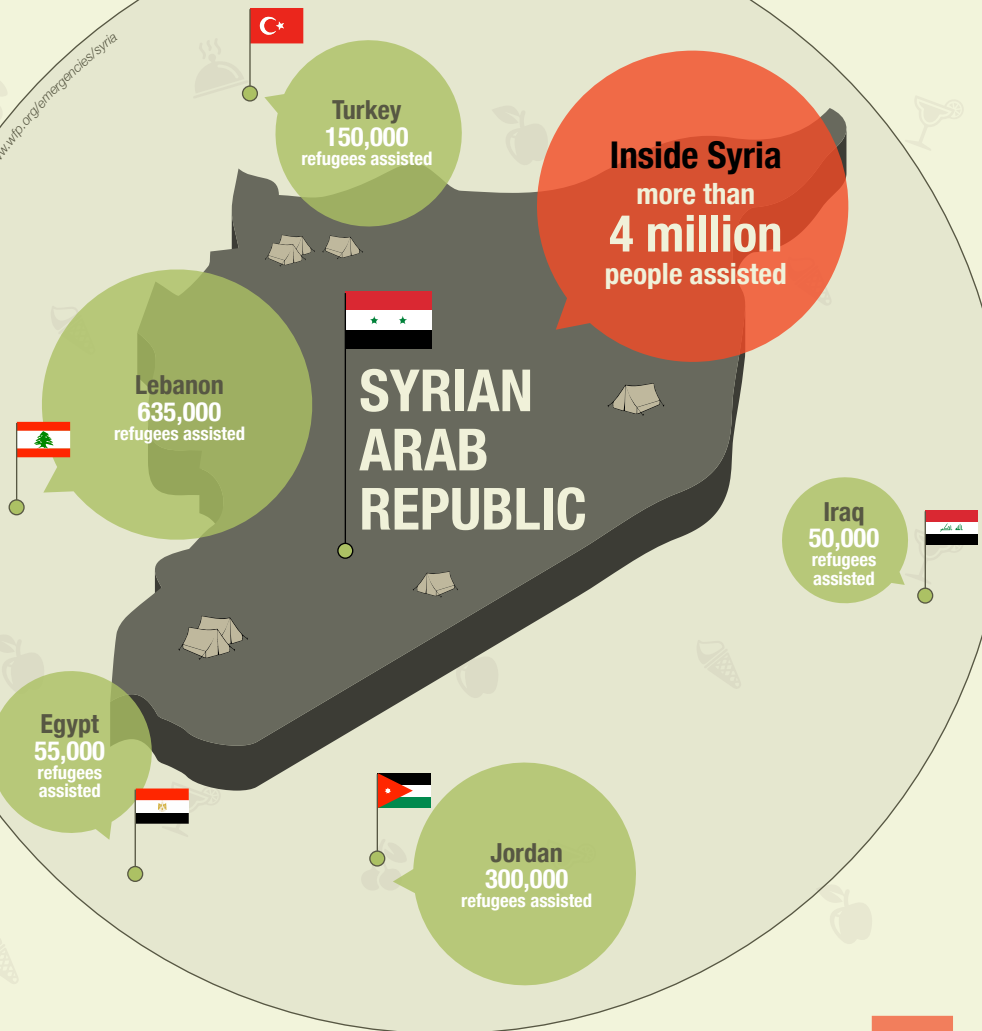

4.18 million refugees in the region

7.6 million people displaced from their homes in Syria

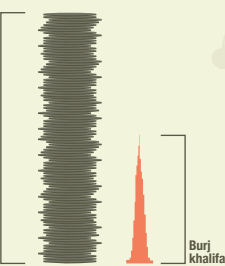

Source: www.wfp.org/emergencies/syria

Hunger in numbers

356,000

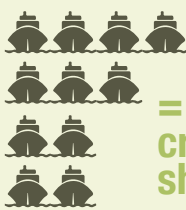

flatbreads provided each day at camps in Jordan alone. Stacked up, they would be high as the world's tallest building

Burj Khalifa

1.1m

metric tons of food have been delivered inside Syria since the start of the conflict

= 11 cruise ships

Logistics

110 joint humanitarian convoys have been supported (since 2013)

Inside Syria, over **3000** trucks are on the road each month
